## THE RICHMOND CABINET COMPANY OPENS NEW FACTORY SHOWROOM

Local kitchen expert The Richmond Cabinet Company has opened its doors to the public with the launch of its first ever factory showroom. This new factory showroom will allow local customers to buy stylish kitchens at factory prices.

Situated on Ashton Road, Hyde the new showroom features an extensive range of kitchen displays, handles, worktops, sinks, taps and fire surrounds.

The showroom also includes Richmond's Access, incorporating Access Mobility and Access Vision, a selection of kitchens with unique features designed specifically to assist independent living for people with a disability.

Richmond's managing director Ian Hodge, said: "We believe that this new showroom will bring to life our understanding, commitment and long term expertise in this market. We hope that everyone that visits benefits from buying direct from a local established kitchen manufacturer."

The Richmond kitchen range consists of an extensive range of door styles and colours, complemented by specially chosen handles, worktops, sinks and taps. Cabinets are available in quality both 15mm and 18mm carcass options, providing superior durable construction.

In addition, The Richmond Cabinet Company is also offering its range of stylish fire surrounds, made from the highest quality material, in the showroom. This broad range of surrounds is available in a variety of finishes and styles from traditional to contemporary. The extensive range of hearths, back panels, gas fires and electric fires has been specifically selected to complement the surrounds and create desirable fire suites.

It's well worth a visit!
